

## 4th Annual Members Awards Exhibit

August 26th - September 25th, 2001

St. Peter's Cultural Arts Center

St. Peter's, Missouri

### Juror's Statement

*The quality and depth of the water media show, "Big Splash" at the St. Peter's Community and Arts Center is excellent. I am very impressed with the range of work submitted. The variety of subject matter and approaches to painting is exciting to the viewer.*

*Styles represented include realism, abstraction, expressionism, and nonobjective works of art. The artists display a high degree of sensitivity to their subject matter and an adept understanding of watermedia. The show is a visual delight.*
