Stan Miller Workshop

Monday to Thursday, October 4th – 7th, 2021

Cost: \$450 Members and \$500 Non-Members

This four-day workshop is an intermediate level class. Students should have some prior experience working with watercolor. Award-winning watercolorist Stan Miller will be teaching “Painting the Portrait and Landscape in Watercolor” He says he enjoys teaching nearly as much as painting and looks forward to each and every class.

During this workshop Miller gives the option of being guided through a portrait or a landscape painting. Each day, both a portrait and a landscape will be demonstrated and students will have their choice as to which they would like to be guided through by Miller. Students also have the option of working on their own subjects; encouraged to bring photos that they might like to paint in the future for Miller to look at and discuss with the student. Technique, color, choosing paintable subjects, and understanding composition and design will also be addressed.
